

MOVIES@THE SQUARE TALLAGHT

NEW COMMERCIAL LIGHTING DESIGN PERFECTLY COMPLIMENTS THIS CHIC NEW CINEMA SPACE AT THE SQUARE TALLAGHT

Client: Movies@TheSquare

Architect: Denis McCague

Installers: Kavanagh Engineering
(<https://www.kavanaghengineering.ie/>)

Following the cinema closure due to the impact of Covid-19, the asset management company of The Square Town Centre in Tallaght found the ideal cinema partner to refurbish and reopen this cinema space.

MOVIES@ THE SQUARE TALLAGHT

The Movie@ Irish family-owned company were the perfect tenants to take on this project. They wanted to create a welcoming and modern cinema experience with creative commercial lighting to add the wow-factor to the space.

Movies@ have completely refurbished the existing 13 screen cinema to include all laser projection equipment and upgraded 7.1 sound system, with 9.1 featuring in their plush VIP section – the first of its kind in Dublin. The entire auditoria have been reconfigured to optimise sight lines for customers and includes double sofas and recliner seats throughout.

To compliment the refurbishment, an innovative and expertly designed lighting plan was developed by Kelliher's electrical working closely with the electrical contractor.

THE LIGHTING PROJECT

With a keen focus on excellence, the electrical installation was completed by **Kavanagh Engineering** who worked with the Kelliher's Kilkenny and Ballymount branches, to deliver this creative lighting project.

The Kelliher's lighting specialist team worked closely with **Kavanagh Engineering** to supply and deliver the quality light fittings seen throughout the Movies@ The Square Tallaght Cinema.

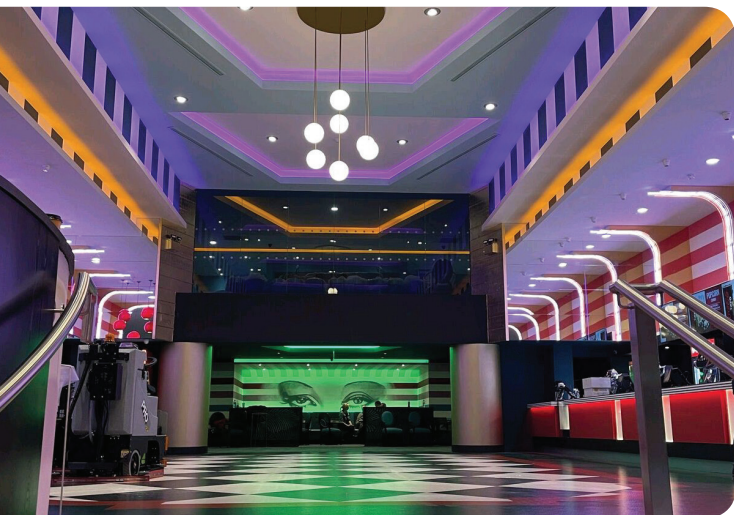

Lighting supplier **Southgate Lighting** worked closely with the team to provide their trademark quality bespoke commercial light fittings that complement the entrance lobby of this modern new cinema.

Working in partnership with skilled electrical installers like **Kavanagh Engineering** along with suppliers like Southgate Lighting, showcases how Kellihers can supply complete lighting solutions whatever the project.

Kellihers Electrical Kilkenny & Ballymount supplied the following commercial lighting:

- Custom feature pendants from Southgate Lighting
- Altair LED Strip
- Altair LED Flex neon effect
- Haley high output downlights
- Own brand LED Fire Rated Downlights

LEADING EDGE & INNOVATIVE SUPPLIERS
